Bob:

Please find attached a map of the area requested...I think you can see the account numbers. I have also enclosed copies of the property cards. This will give you the names and addresses of the owners. You can also look at a map of the accounts by going to the web site:

www.midcad.org

Click on Midland Maps, this will direct you to the City of Midland map web site...click on any interactive map. Zoom into the area you want to look at until you see the red outlined property accounts...then click the "identify all" button and click on the account. This will give you all the information you need.

If you have any questions, feel free to call.
